THE CONTRACTORS
DREAM
MACHINE

AUSTRALIAN MADE

AUSTRALIA'S MOST POWERFUL MINI LOADER

At McLoughlin Mini Loaders we listened to what is important to you.

In order for your business to prosper you need a rugged and reliable machine that is easy to operate and cheap to maintain. McLoughlin Outlaw Mini Loaders offer a ROI that is unrivaled in the industry.

The McLoughlin Outlaw-P is the ultimate contractors machine.

The McLoughlin Outlaw-P allows the operator to clearly see the attachment while operating.

The Outlaw-P is one of the fastest and most powerful mini loaders available.

Through 3D modelling the Outlaw achieves unrivaled efficiency to convert every last drop of the Kohler's 23HP into hydraulic power.

KOHLER®

Command PRO

Do you want an engine that works just as hard as you do every day?

With extended maintenance intervals and fuel-efficient operation, Kohler Command PRO engines will give one hundred percent. KOHLER Command PRO engines are the benchmark for commercial power.

- High-efficiency, heavy-duty air filters provide protection from debris and ensure longer service intervals.
- Extra-large sleeve bearings support heavy loads in commercial and industrial environments.
- Standard 10% governor delivers power faster.

Ergonomic soft touch controls. Excellent line of site to view the working attachments.

Large operators platform with curved fuel tanks to eliminate "hip bashing".

Clever weight distribution allowing for greater safe working loads and increased stability on rugged terrain.

SPECIFICATIONS

Engine:	23hp KohlerCommand Pro V-twin Petrol Engine
Bucket Capacity:	0.15m ³
Ground Speed:	Up to 9.5km/hr
Operating Weight:	980kg
Hydraulic Oil:	3200psi at 43lpm
Maximum Working Height:	2180mm
Maximum Pin Height:	1710mm
Maximum Dump Height:	1750mm – 1950mm
Angle of Departure:	20°
Ground Clearance:	135mm – 175mm
Wheelbase:	710mm – 800mm
Machine Height:	1370mm
Length with Bucket:	2240mm
Length no Bucket:	1565mm
Bucket Width:	2240mm
Turning Radius with Bucket:	1300mm
Total Width:	1028.7mm
WLL:	400kg
Bucket Unloading Angle:	33°
Opening/Closing Angle:	35°

STANDARD & SAFETY FEATURES

- Unique 2 Speed with Overdrive
- Powerful 23hp Kohler Engine
- 2 Pump Hydraulic System
- Huge 3200psi Auxiliary Pressure
- 2 x 25L Rupture Proof Fuel Tanks
- Safety Hydraulic Relief Valve
- Soft touch Ergonomic Controls
- Proportional Trencher Valve
- Excellent Line of Site to Attachment
- Dual Hydraulic Outputs
- 12.7mm Plate Construction
- Powder Coated Chassis
- Maintenance Free Bushes

THE CONTRACTORS
DREAM
MACHINE
